VOL. LIX: No. 52. REDWOOD CITY, CALIFORNIA SATURDAY, MARCH 27, 1920 ESTABLISHED 1859

GEORGE W. WINTER PASSED AWAY LAST SUNDAY MORNING

All that was mortal of George W. Winter, one of Redwood City's sterling citizens and well-known pioneer of this county was consigned to the grave in Mt. Olivet cemetery Wednesday afternoon.

The remains were followed to their last resting place by a large number of sorrowing relatives and friends.

The following old-time friends acted as pallbearers: P. E. Brand, Arthur Carleton, Charles Locker, Fred Glennon, Chris Stilleson and Henry G. Lamb.

Following a long illness Mr. Winter passed away on Sunday last at his home on Chestnut street surrounded by his devoted family who did all that mortals could do to assist him in the struggle for life. His end was peaceful. He passed away like a tired child going to sleep.

The passing of Mr. Winter was a severe shock to his many friends in this city where he was beloved by all and admired by everyone for his genial manner and kindness. He was ever ready to aid those in trouble or distress.

Before opening a cigar store on Broadway, Mr. Winter was engaged in the building contracting business with his brother-in-law, George Allen the firm being known as Winter & Allen. About ten years ago, while superintending the construction of the Rudolph apartments on Main street, the deceased suffered a stroke of locomotor ataxia. He never fully recovered from this and about ten years ago his health became such that he was compelled to retire from active business. Recently he suffered an attack of influenza and in his weakened condition was unable to withstand the disease. The end came peacefully about 2 oclock Sunday afternoon.

Born in England May 21, 1865, he came to this country with his parents when only six years of age. The family after spending a short time in the east, came west to Nevada, where they lived for several years and then moved to California, locating in Redwood City in the early eighties, where the children completed their education. The father was a carpenter and the son, George took up his trade.

In the early nineties Mr. Winter was elected a city trustee and he held the office of councilman for two successive terms, acting as chairman of the board during one of his terms of office. He also acted as president of the Board of Trade for a number of years.

He was a charter member of the Woodmen of the World, Fraternal Brotherhood, Knights of Pythias and a charter member of the Fraternal Order of Eagles. In Pythian circles, he was known as a Pythian Veteran, which means a twenty-five year membership in the order.

He is survived by his widow, Mrs. Emma J. Winter, his aged mother, Mrs. Elizabeth Winter, and the following children: Mrs. Albert Mansfield, Mrs. Harland Mansfield, Mrs. Walter Hilton and Allen Winter, all of Redwood City, and George H. Winter of Petaluma. He also leaves two sisters and a brother, Mrs. Elizabeth Hester of Los Altos, Mrs. Emily Vasquez of Redwood City and James Winter of San Francisco. Another brother, Jos. N. Winter ,foremer chief of the Redwood City fire department, passed away several years ago. There were also eight grandchildren.

FRANK H. SHIRLEY FREE FROM MATRIMONIAL YOKE

Judge Buck on Thursday granted a final decree of divorce to Frank H. Shirley from his wife, Florence H. Shirley. The interlocutory decree was granted on March 21, 1919. The custody of the minor child was given to the mother.

APPRAISER APPOINTED

Judge Buck has appointed H. C. Tuchsen inheritance tax appraiser of the estate of Georgina C. Hopkins, deceased.

SUES FOR DIVORCE

Goldie Silvernail has brought a suit again his wife, Nellie Silvernail, on the ground of extreme cruelty. The Silvernails were married in Oakland on June 13, 1913, and separated at South San Francisco on June, 1919. They have no children and no community property. James T. O'Keefe is the attorney for plaintiff.

SAVE PAPER FOR THE METHODIST CHURCH

Few people know what a tremendous quantity of paper is used daily in the United tSates. Five thousand tons are required each day and of that quantity much is carelessly destroyed. Production is not nearly equal to requirements, the shortage in November, December and January being 24,000 tons. Therefore it is up to everybody to save paper; don't burn up your old magazines and newspapers but take care of them and see that they are put to good use. Just now the ladies of the Methodist church are preparing to gather paper to be sold for the benefit of the church and everybody is urged to help the good cause. Those having papers which they wish called for, notify Mrs. L. B. Winiger, 335 Washington street, phone 323-R or Mrs. L. C. Bernard, 425 Lincoln avenue, phone 352-J.

The drive will be held between April 15th and 20th. 2*

NOTICE

TO

TAXPAYERS

OF THE

Town of Redwood City For the Year 1920

All Taxpayers are required by law to annually make and deliver to the Assessor a statement, under oath, setting forth, specifically all the real and personal property owned by such person, or in his possession, or under his control ,at 12 o'clock meridian, on the

First Monday in March

Accordingly, you are requested to fill out the assessment blank in question and deliver the same at the office of the Assessor immediately making oath thereto.

The property of all persons who refuse or neglect to furnish such statement will be arbitrarily assessed; and such assessment will not be subject to equalization. Refusal to furnish the statement above required will subject the person so refusing to a fine of $100.

Any information relating to the assessments will be furnished upon application at the Town Hall.

W. A. PRICE,
Assessor Town of Redwood City.

COASTSIDE WOMEN ACQUITTED OF THEFT

Mrs. Flora Easterday and Sybil Paulsen, two old residents of the coastside ,were on trial before Judge Buck and a jury in the superior court last Tuesday, charged with the crime of burglary, it having been alleged that these ladies did commit burglary upon the ranch of one Cucchi, an adjoining farmer. The case was submitten to the jury late in the afternoon and their innocence wa sestablished in the shortest time known in the history of San Mateo county, the jury only retiring sufficiently long enough to sign a verdict of not guilty.

Mrs. Flora Easterday is a sister of Chase Littlejohn, of Redwood City, and she was born in the old Littlejohn house that formerly stood upon the site of the present high school building in Redwood City, and is an old and respected resident of this county. Her daughter, Mrs. Sybil Paulsen is a sculptoress of renown, while she was Sybil Easterday, she designed a monument to the late President McKinley for the City of San Jose which was erected in St. James Park in that city. She also occupied the position of sculptoress to the President of Mexico, Porfirio Diaz, and the bust of President Diaz is now considered one of the works of art on exhibition at the Mexican capitol. Miss Easterday studied for a time in the Hopkins art institute and also designed some of the sculptor work on the memorial arch at Stanford University.

It was claimed by the defendant that the charge was originated in spite and for the purpose of compelling these people to leave their ranch and to abandon valuable water rights of which they are the owners.

MAY DAY IN REDWOOD WILL BE BIG DAY

Everyone in the town and county and elsewhere are all ready talking about the big May Day celebration in Redwood City. The chairmen of the various committees are hard at work and there will be nothing left undone to make this day in Redwood City the biggest in history. There will be plenty of music, dancing and flying together with all sorts of games so that there will be something doing every minute on that day. Tonight the Aviation Day Committee are giving their second grand ball in the Foresters hall. Mullen's orchestra will furnish the music and a good time is assured to all. Be there early.

AN ERROR CORRECTED

In last Wednesday's issue of the Redwood City Standard, there appeared an article stating that "Lamb's Jazz Orchestra" was to furnish the music for the dance to be given at Forester's hall ,Redwood City, Saturday evening, March 29th. The intention of this article is to deny that statement as Lamb's Jazz Orchestra is engaged to play at Martinez on that particular evening.

This orchestra augmented by expert trombone and saxaphone players is engaged to play at Forester's hall on the evening of April 3rd, 10th and 17th, and the public can look forward to unexcelled music on these evenings.

WOODSIDE NEWS NOTES

Thomas Coats and family are preparing to move to their new home on the Woodside road near Redwood City. The two pretty young daughters of Mr. Coats are attending the high school at Redwood City and the family desire to be nearer the institution.

The recent rains have swollen all the streams in and about Woodside. A big stream of water is flowing into the Bear Gulch Lake so that an abundance of water is assured for the coming summer.

OFFICIAL MAPS OF SAN MATEO COUNTY

We wish to announce that we are able to furnish a limited number of the official map of San Mateo County, prepared by J. V. Neuman, county surveyor in 1909.

This map is 52 inches by 76 inches in size and printed on heavy paper. It is the latest official map of the county. We can furnish this map unmounted for $2.50 or mounted with cloth back and moulding for $7.50, express prepaid.

Our supply is limited so let us have your order early.

PETITION FILING CLOSED TUESDAY

Tuesday was the last day for filing petitions for municipal officers. The election is to take place on April 12. There are six candidates for town trustees. The three incumbents Carl K. Mabie, George W. McNulty and J. C. Jones will seek re-election. They go before the people on their record of four years. The taxpayers are to be the judges of that record. Carl K. Mabie has been the mayor of the city for two years. As a presiding officer of the board of trustees he has been fair and impartial in his rulings and dealing with those having business before the council.

These men will be opposed by H. C. Tuchsen, who formerly was a member of the board of trustees. He made an excellent record while there. His election is conceded on all sides. In his case it will be a question of how much his majority will be. Jno. F. Ford, an old pioneer of Redwood City who is engaged in the taxi business. Mr. Ford has spent practically his whole life in Redwood City. Many years ago he learned the printer's trade in the office of the Times-Gazette but for a number of years has not followed the trade. He is a writer of some ability.

Louis F. Sericano is a resident of Redwood Highlands and is a trusted employe of the Pacific Gas and Electric company. He is a commuter. Mr. Sericano is a young man who is capable and honorable and is willing and anxious to do his civic duty. Mr. Sericano is anxious to represent his section of the city on the board. He has all the qualifications to make a good trustee. He is past president of Rinon Parlor, N. S. G. W., No. 72.

Treasurer Frank K. Towne will be unopposed at the election. He has held that important position for the past eighteen years and has never had opposition. This is certainly a splendid tribute to him. Mr. Towne is efficient, courteous and obliging. The town's money is safe in his hands

W. A. Price also is another lucky official who will be re-elected without opposition. Mr. Price has served his second term of two years each. According to a recent law the terms of the clerk and treasurer are made four years instead of two. Both Mr. Towne and Mr. Price will on April 12 be chosen for a term of four years.

The contest for trustees promises to be a hotly contested one. The campaign will begin in earnest next week.

BONDING COMPANY LOSES $4000 DAMAGE SUIT

The case of James F. Morgan vs. G. Imperiale and the American Bonding and Casualty company, an insurance company of San Francisco, was tried before Judge Buck and a jury on last Wednesday. The action was brought to recover damages sustained by Morgan as a result of a collision between his automobile and an automobile insured by the insurance company.

Hartley F. Peart, G. F. Baraty and Lee Ross represented the insurance company and plaintiff, Morgan, was represented by Joseph J. Bullock. The jury awarded Morgan the sum of $4000 as damages.

A LARGE CLASS ADMITTED TO CITIZENSHIP

A large Class of aliens were admitted to citizenship in the superior court yesterday. Before the examination of the aliens a short program prepared by Mrs. C. H. Godfrey of Burlingame was rendered. Roy W. Cloud delivered an inspiring address to the new citizens to be impressing upon them their duties as citizens of their adopted country. He urged them to obey the law, thus showing their appreciation of the privilege of becoming citizens of the best country on earth.

Lester Mullen's property was sold yesterday to Mr. Cleve.

THE WEEK'S EVENTS IN LOCAL CIRCLES

Lewis Uhlenberg who has been in the collection department of the Pacific Gas and Electric company for several years has been placed in charge of the company's office in South San Francisco and assumed his duties there on Wednesday. This is a fine promotion for the young man and it is certain that he will fill it to the entire satisfaction of the company as well as of the community. He will continue to reside in this city with his parents.

The school elections in the different districts of the county were unusually quiet yesterday. There were contests in South San Francisco, San Mateo, San Carlos, Montara and Seaside while in all of the other districts the incumbents were returned without contest.

Miss Doris Reid has resigned her position as teacher in the La Honda school to accept a grade in the San Jose school department. The vacancy at La Honda was filled by the selection of Miss Letha Hahn a graduate of the San Jose State Normal school.

Mr. William Webb Kemp, professor of Education at the University of California, has been elected president of the San Jose State Normal school to take the place of the late Dr. E. M. Dailey. Mr. Kemp was for several years an instructor in the Hoyt school at Menlo Park and has a number of friends in this community. The trustees of the Normal school made a wise selection in giving the position to Mr. Kemp.

Redwood City Lodge, No. 168, F. and A. M., held an interesting meeting last Tuesday night which was attended by practically all of the Masons in this neighborhood. At 6:45 a banquet was served there being eighty members seated about the tables which were liberally provided with appetizing things and which were greatly enjoyed. At 8 o'clock the lodge was opened and the third degree of Masonry was exemplified by a team made up of the Past-Masters of the lodge.

The many friends of Mr. and Mrs. Charles A. Stone will be grieved to learn of the death of Mrs. Stone which occurred at her home in Palo Alto, Thursday morning. Mrs. Stone resided in Redwood City for four years while her husband was Southern Pacific agent here. Three years ago they moved to Santa Cruz and last August Mr. Stone was transferred to the office at Palo Alto. Two weeks ago a baby was born into the family and as it was the first child, great joy was theirs because of its arrival. Both mother and child were apparently getting along well until this week when Mrs. Stone's condition became serious and her death resulted. Mrs. Stone was a native of Nevada City, California, and was 39 years of age. She was a charming lady and made many friends wherever she lived. She was a good christian woman and was a devoted member of the Los Gatos Christian church. The time of the funeral was not known at the writing of this article. Mr. Stone has the deepest sympathy of his many friends here in his great bereavement.

At the last meeting of Redwood Parlor, N. S. G. W., F. A. Reynolds and A. S. Liguori were elected delegates to the grand parlor that meets at San Diego on April 19. Both young men have always taken a deep interest in the parlor.

Harry Fleischman, who resides in the city and is a commuter ,is organizing a baseball team at the Sequoia Union High School and is preparing to put a nine in the field that will meet all comers. Mr. Fleischman for three years played with the international league and is a ball player of note. He is giving his services free to the school.

Horn and Miller, experienced mechanics of San Francisco, have leased the rear portion of Foley's garage for a repair shop. They come to Redwood City with good recommendations. They should do well.

Mr. and Mrs. W. H. Kelso have closed their home at 1216 Roosevelt avenue and have taken apartments in San Francisco. They intend to leave soon for Manila where Mr. Kelso has been transferred by the war department. For some years he has enjoyed a position in the quartermaster's department at Fort Scott, San Francisco. The Kelsos will be in the Philippines for three years. They look forward to a pleasant time in that far off country. The home here has beene leased by E. Payne of San Francisco. The Kelsos carry with them to the islands the very best wishes of the people of Redwood City.

Mrs. C. E. Wilent of Casmalia is visiting friends here. Wilent was formerly station agent at Redwood.

Mrs. Frank Bryant will leave today on a business trip to a ranch owned by Mr. and Mrs. Bryant in San Bernardino conuty.

Mrs. J. Archibald and son, Jesse, arrived here last week from Hollister to make their home. They are stopping temporarily with J. F. Archibald, another son, living on Arguello street. The Archibalds recently purchased the Will Curran dwelling on Arguello street.

Henry Hoclas, a cook at the Alaska Codfishery plant at the water front for the past seven years, died suddenly in San Francisco on Monday. The remains were brought here on Wednesday to the Redwood City Undertaking Parlors on Broadway. The interment was in Union cemetery The deceased was well-known in this city. He was about 40 years old and a native of Germany.

Joseph Kerr and wife are here on a visit with their son, James, for ten days. Mr. Kerr is enjoying a short vacation from his duties as a custom house officer at the Port of San Francisco. For nearly two years he has been filling that responsible position.

HERMAN E. MOOTZ WAS SENTENCED LAST THURSDAY

Herman E. Mootz came up for sentence in the superior court on Thursday afternoon, he having been found guilty by a jury on Monday to a charge of carrying concealed weapons with intent to do bodily harm upon the person of his divorced wife, Mrs. Maude P. Mootz, some weeks ago in this city. Mootz' attorney made a motion to have his client admitted to probation. Judge Buck referred the matter to the probation officer to report on Thursday, April 18. Mootz was remanded to jail. The charge is a penal offense and if he is not admitted to probation he will have to serve an indeterminate sentence at San Quentin.

The county clerk's office will be open on the first, second and third evenings of April. The last day for registering for the May 4th election is April 3.

H. C. TUCHSEN IS IN THE FIELD FOR TOWN TRUSTEE

It is a good omen when a public-spirited man like H. C. Tuchsen consents to become a candidate for a town office and is willing to serve the people and give his time to the business of the city, practically without pay and without compensation except that which he receives from a consciousness of civic duty. The pay of a councilman is often abuse, but Mr. Tuchsen cares nothing for that so long as he is aware he is doing his duty to the people. Mr. Tuchsen is a man of ability, is honorable, honest and independentt, noth ing can sway him from what he knows to be right. The people of Redwood City may well be congratulated upon Mr. Tuchsen's candidacy for the office of town trustee. He has the backing of the Chamber of Commerce. There is no doubt of his election it is only a question of how large his majority will be. It is to be regretted that his election cannot be made unanimous. Mr. Tuchsen will look after the taxpayers' interest and the welfare of the city. Again we congratulate the people on Mr. Tuchsen's candidacy.

J. FRANCIS WILL NOT BE OPPOSED IN COMING ELECTION

We are glad to know that our old friend Joe. Francis will have no opposition for his re-election as supervisor of the fourth township. He has given the people of the coast side a good administration, has given them excellent roads and has been economical in the expenditure of the money of his district. Men like Mr. Francis should be kept in office. We want more men like Joe. Francis holding positions of responsibility.

NO OPPOSITION FOR J. MacBAIN

Our announcement last week that John MacBain would have no opposition for his re-election as supervisor of the third township, has caused rejoicing among his many friends. Many have written him letters of congratulation and have commended him for the good work he has done during the past four years. Mr. MacBain has made an excellent supervisor. He deserves well at the hands of his constituents.

DON'T OVERLOOK THE BONDS

In the heat of election for town trustees the citizens of Redwood City should not forget the bond issue.

Every voter who has the best interests of the city at heart should vote for the bonds. Their defeat means that Redwood City will be set back for 25 years and if they carry Redwood City will soon be a thriving factory town. By all mean svote for the bonds. Let no other consideration deter the elector.

THE TREATY WILL BE FEATURE IN CAMPAIGN

The rejection of the treaty by the Senate, and its return to the President, has done two things clearly.

The treaty will be the dominant issue in the presidential campaign. And Hiram Johnson will become the natural leader of the Republican party.

Eight months ago when it was unpopular and unprofitable politically to oppose the League of Nations as proposed, Johnson did not hesitate. His professed well wishes told him he was being put on the end of the limb, and that he was digging his political grave. But he had studied the treaty and the League covenant closely, and he saw the perils and the pitfalls which menaced the principles of traditional Americanism.

He fought for amendments, not reservations, holding that the courageous thing to do was to change the document permanently, rather than merely interpret it. The justice of his proposed amendment on equal voting powers with Great Britain was admitted by Great Britain through Lord Grey upon his return to England.

Johnson blazoned forth the shame of the Shantung robbery, and gave the first intimation to the country of the great pool of international bankers who had thrown their influence into the fight, because of the billions of profit in discounted foreign securities which would inure to them.

But he did more. He took his fight directly to the people, and in following the President, the clearness of his arguments and the sincerity of his eloquence drew tremendous audiences to him. He has been the one candidate who has refused to pussy-foot. His position has been clear and incisive from the first. Every other aspirant for the Presidency has carefully avoided a definite stand, until, with the defeat of the treaty, events have not only made, but have forced the issue and the leader.

As the New York Times, which has been pronouncedly unfriendly to Johnson, said following the rejection by the Senate of the Peace Treaty, "If the Lodge policy is to be approved and sustained, logic and consistency point unerringly to Hiram Johnson as the man to be nominated by the Republicans."

With the Treaty the issue, Johnson becomes the logical leader of the party. It is not that he is the natural beneficiary of his own courageous fight, but because he is the best qualified from the consistency of his record and the force of his personality to lead along the path he alone has blazed.

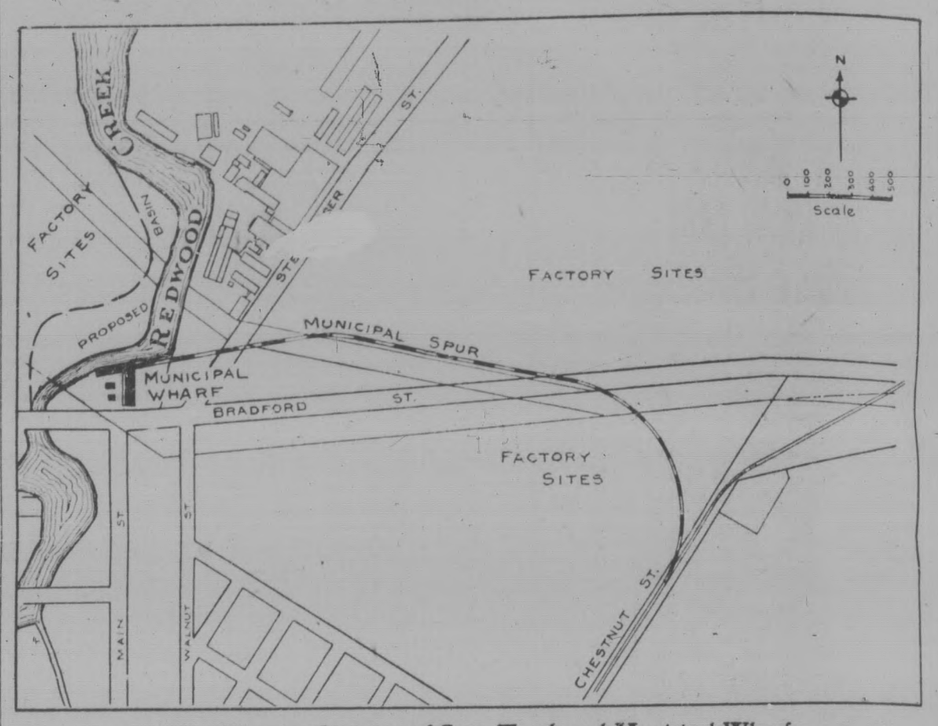
County Clerk.

FACTS ABOUT MUNICIPAL WHARF and SPUR TRACK



Map Showing Location of Spur Track and Municipal Wharf

The writer has received the situation of Redwood City's lost harbor, how it can be regained and what it wil bring to this city in the way of shipping activities and reduced freight rates, now, I should like to state the other important phase of what a harbor with rail connections will mean to our city: That of factories with their weekly pay-rolls.

A basic of human existence is to have money coming in, for money is the medium of exchange, which gives us food, clothing and a place to live This truism is as much a necessity for a city as for an individual or family.

When new money ceases to come into a city or town, the inhabitants leave. There is an old saying, "You can't just trade jack-knives every day and pay the butcher." There must be new money coming in and being circulated among the inhabitants and merchants or they move to a city where it does come in.

If a city does have new money coming in constantly it makes for prosperity. As the incoming money in like proportion and you have a busy, growing, prosperous town.

That is what you and I must help bring to Redwood—NEW MONEY, with its prosperity. Now, let's find out where NEW money comes from that we can make a bid for our city's and our individual portion of it.

Economics teaches that all wealth or NEW money is created from land and labor ,with the assistance of capital and knowledge.

Land grows or produces the raw or rough product and then labor, with the assistance of capital (as pay-roll or wages) and knowledge, fashions this cheap, raw or rough product into a finished thing, worth many times its value in the unfinished state.

Here are the sources of NEW money; products from the land and pay-roll and profits from making raw products into more valuable finished products. How can we get our share for Redwood City and ourselves.

The productive Santa Clara Valley had a million dollar crop from its LAND last year. We didn't get any of it, because we didn't have canneries, nor the harbor from which to ship it. This year we will begin to get a portion of it for our new packing plant; the Pratt-Lowe Preserving company ,which is now being constructed on Chew street. And each year we shall get more and more of this valley's products to preserve into food.

When the Municipal Harbor is operating we stand the best chance to be the shipping point for the greater portion of all LAND products of this fertile valley, (what spot can be more logical for many other canneries and preservers of this immense quantity of food products than Redwood City—the deep-water terminal for the south arm of the bay?)

This is our field and objective for getting NEW money from the LAND. Where is our field for getting NEW money from LABOR?

From LABOR we must get NEW money in pay-rolls and profits. To have pay-rolls we must have factories. To have profits we must have industrial plants and institutions.

Let me bring this forcibly to your mind in a question: If the factories now in Redwood were to close tomorrow and move away, how many workmen with their families and pay-roll would leave with them? Be kind of a dead town would it not? The commuter's salary form San Francisco would not be enough NEW money to go very far in keeping things going.

Sometimes one industry or institution, if large enough, will create and maintain a city. Witness Palo Alto created and practically maintained by Stanford University. Every student brings in NEW money that was created by his or her parents from land or labor profits at home.

The city of Richmond across the bay grew from a fisherman's village in 1900 to a city of 30,000 today as a result of factories coming to a point where a railroad met deep water on cheap land.

The city or Stockton was not on deep water till they dug a channel out to the San Joaquin river and then the factories began coming and growing until they needed more harbor room, now Stockton is planning a greater harbor to cost in the neighborhood of a million dollars. They claim they will get it back ten fold in the new business—pay-roll and profits—that will come to the city.

Petaluma is a great deal farther from the bay than Redwood yet this city developed its harbor, has a boat service and is getting many factories located on its water terminal.

Los Angeles annexed a shoe string, strip of land twenty-one miles long to have aharbor. And San Jose desires to annex a strip clear up to Alviso and then have the Government dredge out a channel up opposite Redwood City so that they can have a harbor.

These cities know what a harbor means. The Chamber of Commerce realizes what a harbor means and that is why they are asking the citizens of, Redwood to help get our heritage.

When Redwood City decides, April 12th to build a spur-track and as a consequence receive a deed for the wharves, dock and warehouse, we will have, FOR THE FIRST TIME, the two essentials that bring factories, namely: a rail and water terminal and a large tract of industrial property with rail and water shipping facilities.

In the past we have had many small and large industrial companies come and look at Redwood City with an idea of locating their plants here, but when they investigate thoroughly, they went elsewhere. These constant visits and constant oportunities coming, looking and locating in some other community has been an individual expense and a trial on the active members of the Chamber of Commerce—it gets on ones nerves after a while.

When you walk down Phelps street to Laurel and see that immense industrial plant going up there, just remember this—it took several months to find sufficient land for them where they could have spur track facilities. On two different occasions they decided to give it up, but we were able finally to locate them. In those months of seeking, bargaining, suggesting and proposing it was necessary to go into court on two different occasions and have guardians and executors appointed that we could make them an offer or clear title to their land.

What chance have we to locate industries here with those kind of obstacles? The new spur track will give to Redwood an opportnuity to locate factories immediately with rail and water transportation.

The active members of your Chamber of Commerce have spent and are spending a great deal of their time, and money, to make Redwood a commercial city—they deserve the co-operation of every citizen in this work. They do not know the word "quit." They do know; however, that with a harbor and rail connection, Redwood City will become THE commercial City of the South arm of the bay and the fastest growing town on the peninsula.

Payrolls make prosperity: prosperity brings population; population makes valuation and valuation equalizes taxation.

The more valuations increase in the business and industrial centers of a city, the less taxation is demanded from the home-owner.

If a community consists of homes exclusively, then the home-owner pays all the taxes in that community. If the valuation is one-fourth in the business district and three-fourths in the residence district, then business pays one-fourth and the home-owner three-fourths. If the community becomes prosperous as a result of factories and commerce, the business district may assume four-fifths of the valuation, then the home-owner pays only one-fifth the taxes.

That is where pay-roll, prosperity and population equalizes taxation, and that is a reason why we home-owners should give every co-operation to bring pay-rolls to our city.

The citizens of Redwood can arise, meet every situation and solve every problem when the occasion demands. That was proven in our assistance to our Government.

We are now asked to come forward and do something for OUR CITY.

We are asked to vote for a spur track, which will give Redwood a harbor, dock, wharves and warehouse and start us on a new prosperity.

Let's make it unanimous, Monday, April 12th.

California Needs More Electric Power

Teh progress of California in wealth, population and industry will be retarded in proportion as hydro-electric development is delayed!

THEREFORE, Let it be the vital concern of every citizen in the State to do everything in his power to further the development and utilization of our great water-power resources.

HOW CAN YOU HELP

By making your contribution to the enlightened thought and sentiment of the community in favor of extensive power development.

By investing in Power Company securities, a safe and sound outlet for your surplus with assured income at the highest rate contissene with non-speculative investments.

By giving moral support and encouragement to every legitimate enterprise that looks toward the development of electricity from the rivers that ar enow running to waste.

WHY YOU SHOULD HELP

BECAUSE you and your business will benefit through trade expansion that **must** and **does** follow the extension of electric service.

BECAUSE much of the money needed must be gotten from Eastern investors and confidence at home begets confidence elsewhere Back up the industries that minister to your own welfare.

BECAUSE water-power resources are **wasted only when unused.** When it becomes necessary to generate electricity by means of fuel, other valuable resources that cannot be replaced are exhausted.

THE SUPERVISORS HOLD MEETING

The board of supervisors met in adjourned session Monday, March 22, 1920, at 10 a. m., there being present Chairman John MacBain presiding; T. L. Hickey, Mrs. Rosalie M. Brown, Jos. M. Francis and Dr. C. V. Thompson.

Attorney C. M. Kirkbride of San Mateo addressed the board and presented a petition signed by the trustees of the San Mateo union high school district, asking for the annexation of the San Bruno school district to the former high school district. Attorney Kirkbride explained that at the present time there are thirty-two pupils attending the San Mateo high school from the San Bruno district and that the proportionate amount of money received from the district for these pupils covers only about one-third the additional cost to the San Mateo high school district for their tuition. Attorney Kirkbride further explained that the San Bruno district was at one time a part of the San Mateo union high school district.

A resolution prepared by Attorney Kirkbride and calling for a hearing in the matter was adopted by the board, on motion of Mrs. Brown, seconded by Hickey.

Attorney Lee T. Ross presented a petition signed by twenty persons asking the board to rescind its action of May 1, 1919, in granting Mrs. Henrietta Brown, owner of the Browndale Kennels just north of Redwood City, a permit to conduct a dog kennel and to keep at least twenty dogs. The petition sets forth that Mrs. Brown has over 100 dogs at her place at the present time and that their barking in the nights were keeping the petitioners from sleeping The petition asked that the owner of the kennels be cited to appear before the board at its first meeting in April, the 5th, and show cause why the permit should not be revoked. The petition was received and an order made by Chairman MacBain directing Mrs. Brown to appear in the matter on the above date.

The following list of election officers, as submitted by the five supervisors to serve their respective districts in May, was adopted by the board, on motion of Hickey, seconded by Francis.

Supervisor Hickey addressed the board and presented and read a resolution sent him by the supervisors of San Francisco and which had been adopted by that body, relative to the selection of Hunters Point as a site for the proposed Naval base on the Pacific Coast. The resolution set forth that there is a large area of land contiguous to Hunters Point, portions of which extend into San Mateo county, which would be available for the site. The San Francisco board, as explained by Supervisor Hickey, desired the co-operation of San Mateo county in securing this available territory. The resolution was adopted, on motion of Hickey, seconded by Francis, and a copy of same was ordered sent to Congressman John Nolan at Washington.

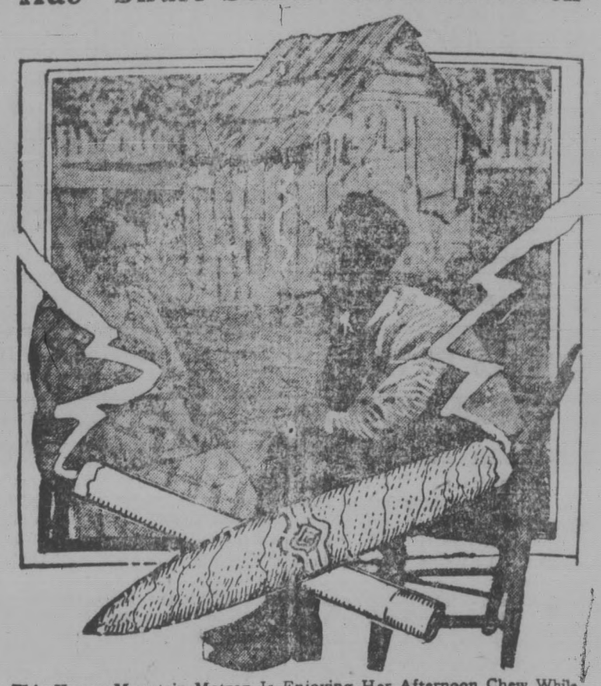
WILL OF W. H. BROWN FILED

Mrs. Rosaile M. Brown has filed the last will and testament of her late husband, W. H. Brown, deceased. The will was executed on August 11, 1901 and the subscribing witnesses were George W. Hall and Phil M. Rodel of San Mateo. All the estate is bequeathed to Mrs. Brown. The value of the estate is not given in the petition for letters testamentary except that it exceeds the sum of $10,000. It consists of the family home at San Mateo and undivided interest in a lot at San Mateo, an undivided interest in a parcel of property at Burlingame and Cavalaras county, an undivided interest in a blacksmith business at Burlingame, furniture, automobiles, liberty bonds, and cash in several banks. The heirs at law are the widow, and the following children: W. H. Brown, W. J. Brown, Warren E. Brown, Wilfred Brown, John P. Brown and Maria Y. Brown. Kirkbride and Brown are the attorneys for petitioner.

APPRAISERS APPOINTED

Judge Buck has appointed H. W. Schaberg appraiser of the estate of Sarah L. Lawrence and Grover Lawrence.

City Girl's Gold Tipped Cigarette Has "Snuff Stick" Rival in South



This Young Mountain Matron Is Enjoying Her Afternoon Chew While Her Husband Smokes His Favorite Pipe.

Here is an unusual picture of marital felicity. It was snapped by a worker for the Interchurch World Movement during a survey of living conditions in the Tennessee Mountain district. The young woman in the picture, a bride of a few weeks, is using the mountain substitute for the cigarette, a "snuff stick"—a stick coated with snuff and industriously chewed. The habit has two advantages over the gold-tipped cigarette of the city girl. It is more economical and it lasts longer—a well made "snuff stick" having only one rival for longevity—the "all day sucker" of school days.

The Interchurch World Movement finds distressful ignorance and poverty among these mountain folks and suggests a new religious program—to couple the Bible with practical instruction in agriculture, carry it out on model farms, with schools, good roads and other community needs as the ultimate goal.

SAN CARLOS ITEMS

JOHN E. COWGILL, CORRESPONDENT

The Beans Are Spilt—The Cat Is Out of the Bag

It would appear from the unpleasant frame of mind in which our only lady trustee finds herself, as described in the columns of this paper of last week's issue, that San Carlos is not the Garden of Eden, with the Adam and Eve left out as we have endeavored to lead the readers of the Times-Gazette and the Mayfield News to believe all the years we have tried to put our little city on the map as the ideal spot on which to rear a Rooseveltian family and which carries the pure-clear atmosphere that makes one glad to live and also ready to die with a clear conscience, regardless of our few frailities and that thorn in the flesh which we have all fallen heir to. When the spirit of the lowly Nazarene had momentarily flown from our happy domicile it was lefgt for a sister of Eve to spill the beans—to let the cat out of the bag, and to tell the world that some of the San Carlos people are made of clay, and that our municipal family closet contains its proper quota of skeletons as is the case with all other well regulated and rounded out communities made up of the earth earthly, and all because the male members of our present school board still smoke good cigars while this form of dissipation and extravagance has not been extended to their very worthy feminine colleague of the literary and esthetic frame of mind. It would be unkind if we did not most gallantly accept the fair writer's apologies for having "quoted so often from the previous complimentary write-up of ours" as there would have been but very little left of her first literary effort had she neglected to do this. Because of the pardonable pride that the chairman of our school board and the president of the San Carlos Community Club appears to enjoy in the distinction of having voted and campaigned for woman suffrage in three of the most enlightened states in this country, (the Centennial, the Sunflower and the Poppy states,) at a time when the question was so unpopular with chronic and professional politicians, this fair little lady questions the consistency of this modest and retiring gentleman's present attitude respecting the prerogatives of the twining, tender sex in the new estate in which men's votes have placed her. From the tone of the lady's shell-shock-brimstone open letter, reading between the lines, it would appear that she expects that those who supported woman suffrage intended this privilege to bring to them all power without the attendant responsibilities. In other words, to remove her from the pedestal upon which we have had her placed all these years and place her upon a throne to wield the scepter of power without any back talk or kindly criticism from the men folks.

We half-way agree, and always have, with the noted pulpit orator Talmage's advice: "That when the mare is the best horse, let her do the pulling." But this has always been woman's privilege, not women's, if she be blessed with that dominant nature, and was fortunate in selecting the right sort of a mate, she did need suffrage to buttress her already unlimited power and dominion. She has been the power behind the throne and always will be, in her big or little world, whichever it may be. Many of us prefer to be ruled unconsciously by our wives or other women folk, and still left to imagine we are masters of the whole situation and she the queen of our little home still remaining upon the pedestal of effeminity in all if its prestin gentleness and retiring modesty. Unfortunately, for us, we could not agree with our fair colleague on the school board when she was about to agree to dispense with the services of our present janitor and supplant him with some one else, when I contended that we could not hope to replace him with any one who would handle the work equally as well for the small wage. And when I also contended that, although we had the authority to do so, we should not remove any public employe without first consulting the wishes of the community whom we were serving. We are glad we have helped to place our women folk upon equality with the men in practically every avenue of life; but until the spirit of chivalry has winged its flight and has entirely disappeared from the world we want to be left the pleasure, in a measure at least, of acting the knight in the many little courtesies that we have been pleased to extend to the ladies, that of surrendering our seat in a crowded car etc., etc., until we are too old and decrepit to stand on our own pins. As it so well describes the cause of our little family trouble in San Carlos, as it is today, and until we kiss, (figuratively speaking) and make up I will have to quote my favorite rhyme:

A Satanic Suggestion.

"When de Lawd got Adam all ready for ter talk,
Sez the debbil stan'in by 'n lookin' 'n a hawk,
Dey's sump'n in de ribs what's gwyn ter make a balk.
'N he wink—dat ole debbil.

"De rascal met Adam pokin' 'long one day;
You'se lonesome, Mistah Adam? 'n he went on ter say.
Ax de Lawd ter make you sump'n ter dribe dat away.
'N he grin—dat ole debbil.

"De Lawd tuk de rib right outen Adam's side.
When de woman's all done Adam's so glad he cried.
Nen comes dat fus in de gyahden—'n re debbil nearhly died;
He laf so—dat old debbil."

Mrs. Belle Moore, (nee Brittan,) is reported as seriously ill with pneumonia at her apartments in San Francisco ,there being two nurses constantly in attendance.

Mrs. D. O. Dumont the wife of one of Los Angeles successful merchants has come up from the south for an extended visit at the home of her sister, Mrs. D. L. Stewart.

It is very fortunate for San Carlos that Mr. C. H. Kaim of San Francisco ha spurchased the old cottage on Laurel street between Holly and Magnolia avenue from Joe. Zenola and will immediately begin the work of remodeling this old building and have it made into an up-to-date modern bungalow.

Mrs. Wm. E. Fisher of San Francisco came down to visit the week-end with her mother, Mrs. R. P. Hurlbut.

Mr. Chas. H. Smith nephew of the late Capt. N. T. Smith was a guest at the home of Mrs. Mary Hooker Smith a part of last week, returning to his home at Alhambra on the Shore Line Limited last Thursday. Mr. Smith was general cashier of the Southern Pacific company during the time the late Captain Smith was treasurer of the company.

By the time this comes from the press our accromonious and bloody school fight will be over and we will be nursing our wounds and aggravating our old sores until the next battle when new alignments will be made, and those who were our enemies in this battle will be our friends in the next, and the world jogs on, while we remain the same grown up babies we've always been—ad infinitum. The ladies found a very nice gentleman, a Mr. Fred T. Odgers to oppose the present clerk of the school board, Mr. Clarence E. Haydock. Should Mr. Odgers win the election he will bring to his new position as clerk a wide experience as an expert accountant. The new candidate doesn't take the campaign serious as does his fair supporters and we expect him to be a good loser.

MENLO PARK NEWS OF ALL SORTS

Doings at Peninsula Garden Spot As Told in Breezy Style By Our Reporters

W. J. Murray has launched in the real estate business and has opened offices in the Murray building near the Southern Pacific depot. Mr. Murray is well equipped for the successful handling of all business intrusted to him. He knows real estate values hereabouts, is familiar with the land values on the peninsula and is thoroughly reliable and is certain to build up a thriving business. Mr. Murray will also do insuring and make loans.

At the last meeting of Menlo Parlor, N. S. G. W. Roland Midgley and George Murray were elected delegates to the grand parlor which meets at San Diego on April 19. M. F. X. Kavanaugh and Frank Derry were chosen the alternates. The delegates will motor south in Mr. Midgley's new roadster. By this time next year all delegates may go to the grand parlor in airplanes.

Mrs. Beach Thompson has sold her pretty home at Atherton to Mr. Payne president of the Payne Bolt Works, who occupied the place last season. The Thompson home is one of the show places of Atherton. Mr. Payne contemplates many improvements on the attractive grounds and buildings. Mr. Payne for several years occupied the Donohoe home opposite the Catholic church. The price paid for the choice property was $37,500.

The rainfall for the recent storm was .95 inches making a total of over eight inches for the season. The heavy rains of Saturday night and Sunday caused the water to flow in the San Francisquito creek for the first time this season. Farmers are now jubilant over the prospect of bumper crops.

Deputy Clerk W. J. Murray registered all the voters at the Base hospital on Thursday securing over 100 electors who will vote at the presidential primaries on May 4. They will cast their ballots at precinct number3, Ravenswood. The voters of Runnymede and St. Patrick's Seminary also vote at this precinct. It will be the largest precinct in the county. Over 400 votes will be cast there.

The members of Menlo Parlor N. S. G. W. will give a dance in Native Sons' hall (Duff and Doyle) on Wednesday evening, April 7. This will be the first dance after Lent and should be well attended. The music will be by the Davis orchestra. Admission fifty cents.

Mrs. William Cluff has moved from the city to occupy her home on Glenwood avenue. She had many offers from prominent San Francisco parties to rent the place but she decided to occupy it herself. One wealthy citizen offered to take the home for a year at a big rental but she would not listen to it.

Mr. K. Rosenfield has planted three acres of peonies on his ranch on Santa Cruz avenue. They will not bloom until next spring. Mr. Rosenfield intends to plant a large acreage next year.

Some miscreat entered the home of August Taylor on Wednesday and purloined several cases of choice whiskey. The thief was very modest. He only took enough for his present needs leaving large quantities of choice wines and liquors in the cellar for the owner.

The beautiful George Roos home on Atherton avenue is attracting the attention of visitors these days. The Roos gardens are considered the most attractive of any on the peninsula. The flowering peache trees, both red and white, now in full bloom attract the passer-by. They are certainly beautiful to behold.

Architect Leo Devlin is preparing plans for the junior college to be erected on the property recently purchased by the archbishop near Los Altos. When they are approved by his Grace, building operations will begin. This will not occur until after the archbishop's return from Europe, which will be some time next summer. He leaves next month for Rome. Building will probably begin next August or September. Nearly $1.000,000 will be spent on the buildings.

The grammar school closed yesterday for a week's vacation. The school will resume studies on April fifth.

The beautiful Louis May residence in the Coleman tract was sold this week to Mrs. Philip Lyons. Mrs Lyons and Mrs. Flanders have occupied the Dorn place on Valparaiso avenue for some time past. Mrs. Flanders some time ago bought the Gregory home in the Coleman tract. Louis May and family have leased the Cumberson domicile at Palo Alto for six months.

On Saturday last Archbishop Hanna raised to the deaconship at St. Patrick's Seminary Christopher Crowley of San Francisco and William O'Regan of Los Angeles. Frank Leipzig, for the past five years a student at the institution, left during the week for Portland, Oregon, where he is to be ordained a priest by Archbishop Christie just before Easter.

A party was given recently at the home of Mrs. Cora Parker of Menlo Park, in honor of her birthday. The guests were Mr. and Mrs. I. E. Segur of Los Altos, Mr. and Mrs. George Nunn, Nancy Nunn, Lionel Nunn of Atherton, Mrs. J. B. Logan, Mrs. J. S. Logan of Menlo Park, Mrs. Argabright of San Francisco, B. Dexter of San Francisco, Warren and Harold Boyd and Mr. Swanson of San Francisco, and Miss Lane of Alameda.

Mr. and Mrs. Russel Slade have been in Menlo Park for the week-end and are preparing to take possession of their new home. The Slade home on Vallejo street will be occupied by Andrew Carrington Jr. and his bride following their marriage in April.

T. Yamasaki, a Japanese farmer, of Menlo Park, was arrested Tuesday on complaint of Thomas M. Horgan, rancher on the Woodside road, who swore to a complaint in Justice of the Peace Ray Griffin's court of Redwood City, charging the Japanese with issuing a worthless check for $34.60. The check was given in payment for some vegetable seed. When taken into court by Constable Martin Walsh Yamasaki said he had a balance of about $6 in the Bank of Mountain View, upon which the check was drawn, and expected to make an additional deposit before the check was presented for payment.

The last will and testament of the late Charles N. Felton, who died recently at Redlands, was filed for probate in the superior court of San Francisco. William and Percy Hammerson formerly of Menlo Park were each bequeathed the sum of $500. The Hammond family was close friends of the deceased. Another former Menlo man, C. H. Adams, and a school boy friend of Mr. Felton, was also left $10,000.

The greater part of the big estate is created into a trust for the benefit of the widow. All of the bequests to friends of Felton and Mrs. Felton are to be paid out of this trust after Mrs. Felton's death.

The friends of Mrs. Felton who receive bequests are Mrs. Bessie H. Morgan, Newton, Ia.. Mrs. Shirley M. Engle, Newton, Ia.; Mrs. Helen M. McIvor, San Francisco; Mrs. Lua R. Miller, Albion, Mich.; and Mrs. Ella R. Green, Brooklyn, N. Y., each $25,000, and Mrs. Ethel Stimmel, 215 Clinton Park, $5,000.

Nine-year-old Elizabeth Raymond, who lives in the Felton home, is also bequeathed $25,000; William Hammerson and Percy Hammerson, both 999 Geary street, are bequeathed $500 each; Charles H. Adams, 129 Twenty-fourth street, $10,000; Donald Wheaton, Boston, $2,500, and John P. Gray, Ukiah, $5,000.

When the dollar comes back"!

When the buying power of the dollar returns to normal—and it WILL RETURN—those who are resisting the nation-wide wave of extravagance during the post-war reconstruction period and are "salting away" their surplus earnings will find their stored wealth worth nearly double what it is today.

Many thousands of Bank of Italy depositors who are today receiving big wages are living as economically as possible, and are banking their savings.

Why spend with the crowd? The day is just around the corner when your dollars will double in value.

Open a savings account here today.

The dollar IS COMING BACK.
